Topics for Township Annual Meeting

1. State of Township:

Howard stated that the township is in good condition. Approximately \$40,000 will go towards replacing the roof and approximately \$17,000 for GIS mapping. Cemetery deal is still inching its way along. Fire millage renewal passed last summer. Meeting room/bathrooms painted and new carpeting last year. Purchasing 3 new election machines this year. One election scheduled this year, in November (Altran and school millage requests). Recreation Plan expires the end of 2017 and need updating. Finally, cell service (AT&T) in Shingleton. The Fire Department started looking at specs for next truck. "Clean-Up Day" scheduled for May 20th. Some thoughts... Should we recycle our waste paper? Should we consider solar panels for this building? Should we put some of our money into a CD?
